	Needle tip cutter or destroyer	6	600gm	21,9kg																																																			
	Sharps encapsulation or concrete pit	8	120gm	43,800gm																																																			
Deep Burial pits:	- NA	NA	NA																																																				
Chemical disinfection:	4	10ML	3.6LTR																																																				
Any other treatment equipment:	- 0	0	0																																																				
Any other treatment equipment:	- NA	8	2KG	730KG																																																			
(iii) Quantity of recyclable wastes sold to authorize recyclers after treatment in kg per annum.	:	Category (like plastic, glass etc.) NA																																																					
(iv) No of vehicles used for collection and transportation of biomedical waste.	:	1																																																					
(v) Details of incineration ash and ETP sludge generated and disposal during the treatment of wastes in Kg per annum)	:	Quantity Generated Incineration:- 0 Ash:- 0 ETP Sludge:- 0 Where disposal																																																					
(vi) Name of the Common Bio-Medical Waste Treatment Facility Operator through which wastes are disposed of	:	NA																																																					
(vii) List of member HCF not handed over bio-medical waste.	:	NA																																																					
6. Do you have bio-medical waste management committee? If yes, attach minutes of the meetings held during the reporting period.	:	Yes																																																					
7. Detail trainings conducted on BMW	:																																																						
(i) Number of training conducted on BMW Management.	:	2 batches																																																					
(ii) Number of personnel trained	:	47																																																					
(iii) Number of personnel trained at the time of induction	:	47																																																					
(iv) Number of personnel not had	:	0
